## ABOUT PEACE EDUCATION CAMP

**Peace education** is a project dedicated to support your people in their search for peace. It builds on four aspects of peace, first being inner peace, and the intrapersonal dimension of peace. Through different reflections and creative methods, every participant is invited to explore the interpersonal aspect of peace as well as religious (or spiritual) and peace towards nature. So far events have been held in Jordan, Madagascar and Panama.

Peace education camp is organised by ICCG and hosted by ZSKSS.
